Any slops may be used

4

Sun block

30 spf and above is advisable

Please ensure that all uniforms are clearly marked as the pupils are inclined to lose and muddle uniforms up after dressing for swimming. This will enable us to return uniforms to their rightful owners.

Pupils not wearing the correct uniform/kit will not be permitted to attend afternoon activities or partake in matches, festivals or tournaments. Wearing the correct uniform also helps instill good discipline amongst our children. Consistency also helps to alleviate confusion amongst our children. Parents are requested to please assist the school at all times, by ensuring that their children wear the correct clothing to school, at school, leaving school and out and about in town.

Thank you for going through our uniform guide.
